### Sedbergh & District

# LOOKAROUND

March 2014 Issue 319 Donation £1

Welcome to this edition that celebrates 28 years of continued service to the Community of Sedbergh and District. Who would have thought that in March 1986, the four pages would grow into what it is today? Thank you for your continued support in every aspect.

Our thoughts must still go with the rest of the country with the bad weather that they are experiencing.

Dennis & Jacky Whicker

#### **PARRINGTON**

Congratulations to Joseph & Emmeline Parrington celebrating their Diamond Wedding Anniversary on March 27th 2014. 60 years of wedded bliss. Love & best wishes from all your family. Joe & Emmeline met at Sedbergh. Joe was born in The Red Lion and grew up with his parents in The Golden Lion (The Dalesman) while Emmeline left her home town of Houghton-Le-Spring Tyne & Wear to work at Evans House at Sedbergh School for boys. They started their married life in a bungalow called Glenroyde at Cautley, after which they moved to Sunderland, but were always frequent visitors to Sedbergh.

### **WESTERN DALES BUS**

The Western Dales Bus will shortly be introducing a new weekend route. We currently run a scheduled service on Saturdays throughout the year, from Sedbergh and Dent to Kendal, which gives passengers three hours in town for their shopping. In the other direction, the bus connects with trains at Dent Station. which means that anyone who wants to go to Leeds instead can have four hours shopping there.

In April, we will be starting a second bus route at weekends, which will run on Sundays throughout the summer. This will provide a number of journeys between Sedbergh, Dent and Farfield

### **CHARITY FISH & CHIPS**

Great British Fish and Chip Supper – Friday 16<sup>th</sup> May

Want to eat Fish and Chips, while raising money for charity? Hold a fish and chip supper on Friday 16<sup>th</sup> May 2014 whilst raising awareness of spinal cord injury and supporting SIA's vital services.

You can hold a fish and chip supper in your own home, at work or hold a larger supper at your local community centre.

SIA will provide a fundraising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting 8 friends and asking them to donate an additional £5.00 means you will raise at least £40.00 from your supper but we will also give you additional fundraising ideas to raise even more money for SIA.

In 2014 SIA is celebrating its 40<sup>th</sup> anniversary and so we want to make the batter matter and raise £25,000 from everyone holding suppers. Last year we raised £12,500 from the suppers.

The money raised from the suppers will help the Spinal Injuries

Association offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their lives by providing services and publications which enable and encourage paralysed people to rebuild lives after spinal cord injury.

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

Community Fundraising Manager, Elizabeth Wright, says, "The Fish and Chip Supper is a wonderful opportunity for a great evening with friends and family. We are also encouraging people who work to hold a Fish and Chip Lunch in their work places to raise even more funds. You may be even a local community group wanting to run a fun evening with your group.

### SIGHT ADVICE SOUTH LAKELAND

Sedbergh Support Group.

For a variety of reasons a smaller number than usual gathered in the Committee Room of The People's Hall for our February Meeting. Our warmest and best wishes go to: The Two Betties, Winifred, Jack and Mary, Jenny D., Doris and Joan - we hope it is not too long before you're all out and about again.

In the absence of Betty H.,
Rosemary was volunteered to be
acting charlady - she serves the tea
as well! - and, given the main item on
the agenda was to be a 'Food and
Drink Quiz' it was a task she
undertook with great relish and

accomplished with a-plomb and pancake-ache! We were delighted to 'officially extend' a warm welcome to Jean, a new member for the group. (I was half-way back over the fell before it clicked with me that I think you would go to Q.E.S. with my Mother, Jean, Bessie Hothersall that was.)

It was agreed that the cost of 'Tea and Biscuits' at the Meetings be increased from 50p to £1 - we're not just keeping up with inflation -we're leading it!

Just to confuse everybody, George had brought along a 'Bloomin' Flowers' Quiz Sheet which he was flogging to raise funds for Alzheimer's - many grateful thanks to all for generously supporting this

effort - especially after the tea money had risen so spectacularly! And so to the 'main course'.

There were 5 of them - Jean, May, Jennifer, Elizabeth and Dennis, and 5 and a half of us -1 only count as half as I couldn't hear half of the questions - that I didn't know the answers to the half I could hear has nothing to do with the cake! So, scrambling the eggs for us were Jessie, Jenny, Rosemary, Margaret and Elspeth. Susan was chief cook and bottle-washer and Keith stirred the scoring with a wooden spoon - it would have been runcible too, but I can't spell it! In his best sugar coated, lemon drizzly voice, Keith Floyd Levitt slurped the scores -Them - the Boudoir Biscuits - 44, Us - the Creamed Crackers - 44 -would you Adam's Apple and Eve's Pudding believe it, a bloomer tie! Jennifer the sugar plum fairy cake thanked Susan the Cadbury's fruit and nut case for her scrumptiously delicious culinary disaster and presented her with a bouquet garni, and we all went Swiss Rolling home!

Our next Meeting is on Tuesday 18<sup>th</sup>. March at 2.00p.m. in The U.R.C. Rooms. PLEASE NOTE the change of venue - we don't want some half-baked jam tarts frangipanning about at the People's Hall when the rest of us are peeling the spuds at the URC Rooms! The Rev Carole Marsden is to be our guest speaker - I'm not sure what she is going to speak about, but then I'm told neither is she - we'll all just have to wait and see! I do know that I have been volunteered to act as

### SEDBERGH AND DISTRICT HISTORY SOCIETY

Lakeland Architecture Through the Centuries

Andrew Lowe did not disappoint on another popular repeat visit as he whisked a large gathering through 500 years of Lakeland architecture in an hour. As a former Senior Planning Officer in the Lake District National Park with over 30 years experience his knowledge on this subject is encyclopaedic, even of 'Wainwright' proportions. His premise is that architecture should be pleasing to look at, fit for purpose and built to last... and should reflect the needs of the time.

His talk was illustrated with a succession of well chosen slides to illustrate design features. Dacre Castle (circa 1340) was designed to keep the marauding Scots at bay. Kentmere Hall dating from 1380 had a fireproof tower with vaulted ceilings to deflect fire brands. Steep pitched roofs of formerly bracken thatch were fire risks. Muncaster Castle (1258) had a medieval tower. The cylindrical outer chimneys such as on Coniston hall (1560) signalled the importance of the owner. Taking us inside Calgarth Hall, an early 16c manor house, he pointed out the finest over mantle; the fireplace tended to be the focus of life and hints of the importance of the family.

Buildings of the period circa 1620 -

1700 such as typical Lakeland buildings with home-grown rugged architecture were termed vernacular meaning 'of the locality', like a local accent, buildings which according to Wordsworth 'grow out of the rocks of the landscape'. Designed with a porous rough stone finish the familiar lime wash rendered them weatherproof. Most of the windows faced the morning sun for solar gain, even if the best view was from the rear. Doors were kept away from the damp south west prevailing wind. One surviving 300 year old door illustrated was made of three oak planks using square pegs in round holes (for better grip). The master and mistress slept in the warmth of

downstairs. There was a rudimentary staircase on the cool side. A fire window allowed light into the fire and cooking area. A lockable salt cupboard guarded the valuable salt. A clap bread air tight oak cupboard, situated against an interior wall, was the most elaborately carved piece of furniture in the house. This had to be rat proof as it stored the food which had to last through the winter months.

By the late 17c, on entering the Georgian period, more formality and symmetry appeared. Buildings were highly proportioned by professional designers as illustrated by Dalemain House with its beautiful Georgian façade dating from 1744. These

web: www.garsdaledesign.co.uk

buildings, the town houses, within the radius of the growing townships. By 1740 elegantly proportioned sash windows appeared on three storey houses with the smallest on the upper floor. The wonderful cottages built in Lowther for estate workers in 1760, designed by Robert Adams, were way ahead of their time.

In the late 18c, as the grand tour of the Lake District was becoming fashionable, partly due to Napoleon's blockade, people were choosing to come and live here. Many fine prestigious homes began to appear along the shores of Windermere. The architecture became more flexible in what came to be known as the Regency Period and bowed windows appeared. Storrs Hall, built on the profits of the slave trade, is a good example. The Belsfield had the finest view on the lake with grounds running down to the shore. The buildings in Ambleside and Keswick symbolise the Victorian Age, post-railway architecture. The railways brought wealthy industrialists needing grandiose houses and also tourists. So wealth, social change and transport influenced architectural development.

And what about modern building design? Mr Lowe highlighted two of architectural merit: Ambleside Parish Hall and Lakeland limited.

Well, Andy Lowe certainly lived up to his billing and after this excellent talk the appreciative members and friends were left with a lot more to look out for as they travel around the district.

### YORKSHIRE DALES NATIONAL PARK

Photographers are being asked to donate images of the beautiful Yorkshire Dales National Park to a new-look website being re-launched later this year.

Photos of people, animals, scenery or activities will all be gratefully received for use on the Yorkshire Dales National Park Authority's revamped website, which goes live in April.

Stuart Willis, the Authority's Website Officer, said: "The new site will have a modern, mobile-friendly design and we are certain it will easily exceed the 300,000 unique visits a year that the existing website receives.

"As a way of giving those visitors a better idea about what makes the Yorkshire Dales National Park so special, we want to display inspiring photographs all over the hundreds of website pages that have either been

created from scratch or re-designed.

"We won't be able to pay for the use of the photos, but each one we include will carry the name of the person who took it, so it will be a chance for people to showcase their photographic skills to an audience of hundreds of thousands. And we can add links to their online galleries or website if they would like us to."

Ian McPherson, the Authority's Member Champion for Promoting Understanding, said: "The Yorkshire Dales National Park is celebrating its 60<sup>th</sup> anniversary this year and the new-look website will play a huge role in highlighting exactly what the landscape and its communities have to offer.

"Within its pages we want to display the images that really capture the spirit and the soul of this wonderful National Park so – whether you're a professional or an amateur photographer – it's a chance to show off your talents."

Details about how to submit photos are available on the current Authority website at www.yorkshiredales.org. uk/calling-photographers.

#### **CHRISTIAN AID**

News in Sedbergh and District

The first event of the fund raising year for Christian Aid in Sedbergh and District is our coffee morning on the 19th March in the URC rooms, Sedbergh where we look forward to seeing all our regular supporters and hopefully new ones as well.

We've had our first committee meeting of the year with Christine Wood in the chair for the last time welcoming Valerie Finch back onto the committee ready to take up this role at the next meeting. Christine has done a stalwart turn and kept the proceedings in excellent order with all business done and dusted in very trim time for which we are very grateful. Another welcome new committee member is the Revd. Andy McMullen. We're still waiting for a new minutes secretary (we know you are out there somewhere so please make yourself known), meanwhile

committee members will share the job.

We were looking ahead to this year's Christian Aid Week running here in Sedbergh from Saturday 10th May to the following weekend. The 'Shop' in the URC rooms will again be a mainstay of our week so if you have items you no longer need and would be happy to donate please store them to one side for us. The door to door collections are a major part of the fund-raising activities and extra collectors are always valued as we don't have sufficient at present to cover the whole of the town and district. If you'd like to know what it involves why not have a chat with Rosemary Handley who co-ordinates it or one of the other committee members, perhaps at the coffee morning.

Rev Anne Pitt

# Rawthey Bank

As some local residents may have noticed that, we have been busy of late working on the house.

Having over 30 years experience in the construction industry it is always with trepidation that you get other contractors to work alongside you. Having worked with the following tradesmen, I can honestly say no such worries or concerns will anybody have employing the following and at the same time, I would like to thank all of them for a fantastic job well done.

#### Barbara Hartley - Garsdale Design

Thank you for all the patient work in dealing with the planning department, none of this would have happened if it weren't for you

### Mel Cragg - Re roofing of Rawthey Bank

Mel is a great guy, hard working quality roofer with a band of merry men working as a reliable team who get the job done in all weathers.

### Paul Cowin - Plasterer

By far the best plasterer I have had the privilege of working with, neat and tidy very precise work, he is a hard working talented

### G.B. Baines & Son - Main construction work

Absolute great bunch of lads, hardworking, very neat, tidy always consensus, and will go the extra mile to please the customer

### **CRAFTWORKSHOP**

Two years ago the craftworkshop was an idea in the Lookaround.

Six months later, at the Jubilee celebrations in Sedbergh, it began to be a reality. The original co-operative members were Helen Wilberforce, Dianna Whitfield, Stuart Gray and Linda Hopkins. At the Jubilee event we 'recruited' Cate van Alphen and Lynn McLennan, who became our first Chair. We set up in Sedbergh Café, but after less than eight weeks we pulled out and moved to a market stall for the next few weeks.

Those first months proved that the concept was workable.

From October 2012 we were able to rent the shop at 61 Main Street.

In August 2013 Keith and Helen bought the property where they now live. For the craftworkshop that meant that there was no longer any rent to pay. This is turn means we can concentrate on 'meet, make, share and sell' in that order, since we do not have rent to pay.

We have over fifty suppliers. We decided to separate 'suppliers' and 'co-operative members', defining co-op members as those who work in and or for the shop.

Of the suppliers, around twenty are co-operative members. After consulting members, last September we agreed to set up a smaller group who would be responsible for the day to day management and be

### SEDBERGH SCHOOL

We often have vacancies for Kitchen and Cleaning Assistants, and for other roles from time to time. Some roles are based in Sedbergh, and others are at Casterton (Sedbergh Prep School).

If you would like to work for Sedbergh School then please complete an Application Form and return it to the address below, indicating what sort of work you are seeking. If we have suitable work available we will contact you and invite you to come for an interview.

You can collect an Application Form from the Bursary, download one from the School's website (www.sedberghschool.org) or request one by sending an email to Shirley on shw@sedberghschool.org or by ringing the HR Department on 015396 20303. Please also check the School's website regularly for details of individual posts as they arise.

Please return completed Application Forms in email to shw@sedberghschool.org, by returning them to the Bursary or (by post) to HR Administrator, The Bursary, Loftus Hill, Sedbergh, LA10 5RY.

We look forward to hearing from you.

accountable to the full co-operative. It has not been easy trying to set up the group and define working arrangements for the organisation

We put ourselves forward for the Westmorland Gazette Business and Tourism Awards in the Community Enterprise section. This was a shameless attempt to get some free publicity. Not only did we come second in our category, but also a local resident saw the publicity and asked if he might join us. So Gordon Young – now our new Chair - arrived!

During the year there have been consultations with members about the shop layout. We have tried the craft area in a different place, listened to those who would like the counter moving and the slightly larger group who felt it should stay where it was as well as those who wanted it smaller. What was always clear was the need to get some more shelving to accommodate the growing amount of

stock. At the beginning of January a few of us spent a happy weekend painting the shop and the (free) shelving.

All this is well and good, but what I believe that we have really achieved is much more important!

In no particular order:

- We have established ourselves as a presence on Sedbergh's Main Street. Lots of locals look in our windows and many come in to buy gifts. Tourist visit us too.
- We are on the social media.
   Have a look on Facebook or
   Twitter. See our craft demos on YouTube.
- We won an award!
- We have provided an interesting place for locals and visitors to browse.
- One or two young people have done 'work experience' with us (and our youngest supplier is now 14!).

- We have provided a place for people to come and be sociable. There is at least one person who comes in regularly and tells us that if we didn't talk to her she wouldn't speak to anyone all day. Others call in for a chat. Others come for a look and end up staying a while.
- We ourselves often enjoy spending time with each other!
   We are all involved with the craftworkshop for our own reasons – but there is a lot of laughter!
- We have shared our skills at a number of demonstrations, some of which have been 'hands on'.

- We have given ourselves and our suppliers a sales medium for the things we like to make
- Two or three people have said that they have a new lease of life! Many of us have been able to watch people grow and develop personally with us.

We are beginning to fulfil our own motto / strapline of 'meet make share and sell'.

2013 has seen the establishment of a healthy organisation that is an asset to the town. We intend to stay where we are. We hope that this year will see further growth, more meeting, more making, more sharing and more FUN!!

### **SNOWDROP WALK**

Child Bereavement UK is inviting families to take part in their first Snowdrop Walk at Sizergh Castle, near Kendal on Sunday 23rd March.

The grounds will be open from 11am until 3pm, with an opportunity for families to plant snowdrops in memory of someone special who has died. Snowdrops will be available for purchase on the day and charity volunteers will be on hand to help with the planting in the picturesque grounds of Sizergh Castle. A Book of Remembrance donated by a bereaved family will be in a quiet corner for your individual entries.

### COUNCILLORS CORNER

Cllr Evelyn

The Government has now given details of its scheme to help local high streets that was announced by George Osborne in the Autumn Statement. Many local shops and businesses will benefit from rates relief of up to £1000. Designed to give local businesses a chance to compete with internet retailers the one-off Government initiative will benefit firms with a rateable value of less than £50,000. Businesses including shops, restaurants, hairdressers, art galleries, post offices, petrol stations, cafes and pubs will be considered for relief. But companies such as banks, building

societies, estate agents, doctors and solicitors will not be included.

The scheme will be put in place over the next two years in South Lakeland so firms will also receive rates relief in 2015. SLDC is currently identifying businesses that qualify for the scheme. The council's aim is to get the relief on bills that will go out in March. Where this is not possible and the council is uncertain about the use of the property, there will be an opportunity to apply for the relief afterwards. Businesses have to confirm to SLDC that they meet the requirements of the scheme that are laid out by the Government. Rates relief is classed as state aid so the Council has to ensure that

Ken & Claire Pope have been part of the local traditional music scene for many years, and have finally realised a long-held ambition to release an album of their music

The CD is a delightful mixture of traditional songs and their own compositions, some of which you may have heard before performed by Ken with Spellbound Theatre in their productions of Settle-Carlisle and Roma, here rearranged and recorded for CD for the first time

Ken & Claire both sing on the recording, Ken playing guitar and dulcimer, Claire playing bothran. They are joined by fiddle player Jackie Malone on this wonderful album, recorded and produced here in the Dales

businesses do not contravene European Union rules on state aid.

SLDC has also announced that businesses can now pay their rates in twelve monthly installments instead of ten.

### Cllr Nick

So, after a few false starts, work will finally begin on the A683 Cautley Road to strengthen the bank alongside the River Rawthey between the Cross Keys Inn and Rawthey Bridge. The work is to be paid for by central government out of its Flood Recovery Programme following the floods of 2009. The bank has been slipping down into the river and it needs to be build from the bedrock upwards to give the bank greater

stability and ensure the whole bank is not swept away in a major flood.

It may transpire that the delay in starting the work has had its benefits: together with Libby Bateman, the Cumbria County Councillor for Kirkby Stephen, we made vigorous representations last September to Cumbria Highways that a total closure of the road for four months or more would cause a massive amount of disruption and inconvenience to local landowners, business owners, commuters, schoolchildren and residents of Sedbergh and Kirkby Stephen who regularly use the road.

The solution will be to keep one carriageway open, controlled by traffic lights. So although people will

Page 21

be faced with delays along the A683 as they need to wait at the traffic lights, these delays will be minimal compared to the extra time and cost entailed in what would have been a very long detour via Garsdale and Mallerstang or via the M6 and the A685.

The roadworks will run from February, possibly right through to July, depending on many factors, not least the weather conditions and river levels as the contractors start to rebuild from the river bed upwards. This will mean that the works will still be ongoing over the Appleby Fair period. Although not ideal, the fact that the road will remain open makes a massive difference in allowing

passage of the travellers along their normal routes to get to Appleby.

Sedbergh seems to have been besieged by roadworks over this winter - there was the road closure of the A684 at Dandra Garth in Garsdale before Christmas, then overnight closures on the A684 between Firbank and Black Horse, work to Firbank itself to repair a crumbling road edge, then the Cautley roadworks described above and finally he proposed resurfacing of the hazardous stretch of the A684 by Lilymere during the summer. Let's hope that there is a period of calm after all these schemes have been completed, although Highways work is always needed somewhere and we just have to manage dwindling resources as effectively as possible in these straitened times.

### Cllr lan

A number of Sedbergh residents have expressed to me their grave concern over the decision of SLDC Planning Committee to grant planning permission for three large wind turbines at Killington. I have chaired

this Committee for the last four years but had to vacate the Chair on this occasion because of the various environmental interests that I have, as well as knowing a number of the people concerned on both sides of the question and, of course, being a resident of Sedbergh. The Committee came to this decision by a significant majority. Under normal circumstances there is no right of appeal against the granting of permission - only against refusal. However it is possible for the decision to be challenged by requesting the Secretary of State to "call in" the decision for further consideration. Following the planning meeting the

decision was made by Friends of Eden. Lakeland and Lunesdale Scenery (FELLS), Friends of the Lake District (FLD) and the Yorkshire Dales Society (YDS) to request a "call in". The Secretary of State immediately issued a direction to SLDC prohibiting the Council from issuing the Approval Notice and the process to decide whether to call the matter in is presently under way. If it is called in then there will be a full Public Enquiry by a Planning Inspector looking at all the issues involved over a several day hearing at which all parties with an interest will have a right to be heard. In due course the Inspectors decision will need to be confirmed by the Secretary of State. This could all take some time. If however a decision is made not to call the matter in then the Approval already granted will stand. I hope that the above clarifies the situation. Further updates can be obtained either from the local media or by visiting the Planning section of the SLDC website (www. southlakeland.gov.uk).

Like you I am a bit confused as to why the council can resurface the road at the bottom of Blackhorse Hill at an apparent cost of £100,000 (how this work can cost so much is a little beyond me) but is unable to resurface the road at the top of the hill until the summer. They tell me that there are all sorts of technical reasons why this is the case but I am still left very worried that the clear danger to motorists on the stretch between the top of the hill and the M6 can be left untreated for such a long time. The twenty mile an hour speed limit and the lights do at least warn the unsuspecting that something is wrong but we are still seeing far too many accidents on this bit of road. So far none has been fatal but this may be as much to do with luck as anything else.

I am continuing to press them to sort this mess out as soon as possible. If you want to support the cause you can sign a petition to get something done at www.ipetitions.com/petition/ A684. While you are there it is quite alarming to read through all the stories of near misses posted by the

other people who have signed.

I took the opportunity of a debate in the Houses of Parliament the other day to call on the Chancellor of the Exchequer to reduce the rate of VAT that tourists have to pay on their hotel bills. As you know tourism is vitally important to the economy in our part of the world, the trouble is that it is a low pay industry. My view is that if VAT was reduced then this would allow businesses to pay themselves and their employees a bit more. As far as I know we are one of only two EU countries to charge the same rate for hotel bills as we do for all other spending. Most European countries charge a VAT rate on hotel bills that is well under half that of their standard rates. As if the weather was not doing its bit to drive people abroad for their holidays it appears that the Chancellor wants to help them on their way. The amount you save in VAT by holidaying abroad goes a good way to paying for the flight, depending of course on how smart a hotel you can afford to stay in.

Finally, and on the subject of VAT, as you know I have been fighting to get the Government to make Mountain

Rescue teams VAT exempt. In response they made grants available to the teams that in effect repaid the VAT they spend on new equipment and training. However, in the nature of this type of grant, it comes to an end at some point. In this case next year. So I was pleased to receive a letter from the Secretary of State for Transport telling me that the Treasury are considering extending the money for another year. Clearly this is positive news but we really need a permanent exemption to sort this issue out.

### SEDBERGH & DISTRICT HISTORY SOCIETY

Heritage Lottery Fund Grant
The History Society is delighted to
have received a grant from the
Heritage Lottery Fund for a project to
mark the First World War centenary.
The project, called Aspects and

Untold Stories of WW1 in the rural dales around Sedbergh, aims to show the many ways in which the war affected our local communities.

The project will enable local people to come together to preserve the memories and heritage of the people who lived through the First World War. Research has been undertaken by many people over the years and much is available in files in the History Room. The society wishes to preserve this information and make it more accessible to the community. More information has been gathered from newspapers, parish magazines and people are sharing their family memories.

A book will explore the military events in the local context and will extend our knowledge beyond that which is recorded on War Memorials. Topics to be covered include the events on the Home Front, Recruitment, Enlistment, Casualties and Awards, Regiments and Roles. The book will include many contemporary photographs.

An exhibition based on the book will be mounted where people can share information and perhaps reflect on their personal recollections.

There will be support for the drama production to be performed by The Barrel of Fun drama group.

If anyone would like to contribute stories or photographs or would like more information then please contact the History Society, Richard Cann, Elspeth Griffiths, or Diane Elphick, 015396 20605 or email sedberghhistsoc@aol.com.

### **CUMBRIA WILDLIFE TRUST**

Skydancer in the Forest of Bowland Most of you will never have been lucky enough to see a Hen Harrier. They are beautiful, iconic birds of prey. The males are bright and obvious while the females are more delicately patterned to blend in with their heather habitat while they hatch their chicks. Both are wonderful fliers and their exhilarating mating dances in the sky give them their nick name of "skydancer". You should be able to see them – our Northern Fells should be the perfect place for them – but persecution and destruction of their habitat has forced them to extinction once before in England and sees them at the brink again.

They have the misfortune to live on heather moors, needing old growth heather for their straggly ground nests. This is often cleared during management for stock. They also commit the heinous crime of feeding their chicks on grouse chicks when they are plentiful, though they are not their only food – amongst other prey, they eat the rats that also predate grouse chicks and eggs. For the crime of eating grouse they are persecuted illegally on some of the privately owned shooting estates. It is virtually impossible to find the evidence to successfully prosecute gamekeepers and landowners but the circumstantial evidence is compelling. There is sufficient space on the upland heather moors of England for at least 323 breeding pairs. On the grouse moors which comprise the

vast majority of the available habitat there are none. On the even larger grouse moors of Scotland there are also none at all.

The Forest of Bowland has 70% of our English breeding pairs of Hen Harriers and last year they failed to fledge any chicks. The heather moorland in the Forest of Bowland has many designations that should provide protection for wildlife: Area of Outstanding Natural Beauty, Site of Special Scientific Interest and the European designation of Special Protection Area for supporting species of European Importance, for its Hen Harriers and Merlins. The area is split between the United Utilities water catchment estate and private grouse moors. United Utilities invited the RSPB in to help with the management and Jude Lane, the RSPB officer who talked to the Wildlife Trust Group in January, is

based full time on the estate. A
Heritage Lottery grant funds work to
support the Hen Harrier and educate
the public and landowners. On the
United Utilities estate Hen harriers
have bred regularly, though in
diminishing numbers, but on the
adjoining grouse moors there have
been no successful nests. Last year
there were no chicks at all reared
anywhere in England.

The saddest story Jude told us was of "Bowland Betty". Betty was born and raised by her hen harrier parents on the United Utilities estate in 2011. A camera nest recorded her hatching and early days as a chick, and this was shown in visitor centres and schools. She was tagged with a satellite tracker and her amazing journeys over the next months were followed with interest. In 2012 she repeatedly returned to her birth moor to search unsuccessfully for a mate

and then in July last year her movements abruptly stopped on a grouse moor in the Yorkshire Dales. Her body was located and the RSPB discovered she had been shot, but not able to prove who shot her.

It can't be right that the interests of a few wealthy landowners, supported by the illegal activity of rogue gamekeepers, are depriving all of us of these amazing birds - they are our heritage and that of our children and must not be allowed to drift to extinction again. The RSPB is working with responsible landowners and gamekeepers to create the conditions necessary for Hen Harriers, with ideas such as diversionary feeding - essentially bird tables on the grouse moors for the harriers to reduce their dependence on grouse chicks, but the birds have large territories and stray onto moors where they are less welcome. The RSPB asks for your help. They want you to report any sightings of Hen Harriers to help with their research on 0845 4600121 (local rate call) or by email to harriers@rspb.org. If you see any signs of illegal traps or suspected poisonings affecting any birds of prey then please call the RSPB on 0845 4663636. Calls will be completely confidential.

The RSPB is calling for changes to wildlife laws to increase protection for birds such as Betty. If you feel strongly about wildlife crime then please consider writing to your MP to ask about his party's position on protecting wildlife and their habitats.

The Symonds cycling event held on 31 January 2014 was an outstanding success. We put out the usual number of chairs, but people just kept coming. The chair store was almost empty and the Main Hall was full with about 150 people. The presentation by Hugh and Pauline was superbly illustrated by many slides, some with a musical accompaniment. From their Cumbrian home, they had cycled through the land of "The Silk Roads" to the mountains of Central Asia a distance of 8,904 miles, taking 343 days, from September 27, 2012 to September 4, 2013. With such a

story to tell the event did not finish until 10.30pm. The event grossed over £700 to the Redevelopment fund. Thank you Hugh and Pauline. **Donation bricks (slips)**

### **DENT PRIMARY SCHOOL**

The children of Dent CE Primary School have been taking part in some cross country running this term. This is Milly Brooksbank's, Year 6, account of the race.

### Rawthey Run

On the 23rd of January 2014 the Cross Country Squad from Class 2 set off on a mild but wet afternoon, to a cross country competition held at Sedbergh School. The course was one mile long and extremely muddy. There were hills and jumps that we did not have in our last race so that made it even more difficult.

The first race was the girls. Thirteen schools entered in this race and eighty-nine girls raced. Our first

runner home for Dent was me, Milly Brooksbank in 42nd position. Rhiannon Winder followed in 43rd; she did really well, losing a trainer at the log jump! Our 3rd and 4th runners were Beatrice Deighton in 58th and Millie Gordon in 59th. Emily Baines ran well to finish 75th and last but not least was Ellie McDowell in 88<sup>th</sup> position.

The second race was the boys. Sixteen schools entered and one hundred and six boys raced. In first place for the Dent team was Greg Tebbett who came in 41st. followed by Zak Baines in 79th and Charlie Brownbill in 82nd. Our next runner was Joe Vinsen in 93<sup>rd</sup>. There was Ted Hodgson in 101st closely

Improving the quality of writing is always an important part of our learning. The upper juniors have been working onf descriptive writing and creating poetry in response to *The Street Child* which they have been working on. The writing focussed on a particularly unpleasant character called Mr Spink.

Mr Spink

Pompous Mr Spinks is a cold hearted creature who would not spare a penny even though he is exploding with money. Mr Spink struts around murdering any hope for people suffering, whilst his silver tipped cane is being swung back and forth, directing innocent people around the

### The Way Home

Arnold Hodgson, Year 4 has been re-writing the story of a homeless child in an urban area.

The little cat snuggled into my coat and kept itself warm. The tiny cat looked at me. "I will take you home" whispered Shane. I was running as fast as I could to get away from the big boys because they don't like me. The cat snuggled further into my coat. My heart was beating so fast, it was just like a racing car. I ran as fast as I could to get home because I was cold, so I ran through cars. The lights blinded me as I went through the powerful cars. The tiny cat was scared, he looked up at me and

purred. Shane whispered "It's okay little cat, we are going home, to get some milk for you". I felt scared and frightened. I tried to get my breath back, I felt tired. I then ran down the dark alleyway, which was covered in litter. There was graffiti all over the walls. I went through a fence and tripped over some rubbish which was scattered all over the place. The cat peeped out from my coat to see where I was going. I was home, no more racing through cars, no more terrifying dogs and NO MORE big boys. "I WAS HOME!"

at the top of the car park fabulously exciting!

### Rosie Hodgson

I needed a plastic bag, string, tape and sticks. Then I put the sticks together with tape and fixed the plastic on. Next, I put the string on and we put our willies on and went to car park field and flew our kites! It was great! My kite flew well until it knotted up with Tom's!

The children have been listening to African music and watching clips of African music and dancing, resulting in a performance of music and rain dances. The children used the school's diembe drums and original African musical instruments,

previously donated to the school for their music and then performed music and dances for their parents in Open Assembly.

### Myles Stainton

"It was fun because I like dancing and the music was cheerful and was from Africa"

### Tom Cash

"I like the African rain dance because we shake our bottoms and go side to side and stamp and do some crossing of our legs."

### **Edward Deighton**

"I played the djembe drums to the tune of the African music. You have to pat the skin of the drum in time to the music. It sounded good!"

### SEDBERGH PRIMARY SCHOOL

Your local school needs you!
Sedbergh Primary School is looking for a community governor.
Why become a governor?

To help generations gain access

- to the best possible education.
  To contribute to your local community.
- To use your current skills in a new environment.
- To gain new skills in human resources, finance and management.

What do governors actually do? A governing body 'governs' the school in partnership with the headteacher.

They ensure that all children and young people receive an education that helps them reach their full potential.

Governors give strategic direction and focus through agreeing plans and aims, setting budgets, deciding priorities, appointing staff, supporting the work of the school and challenging it to improve.

No special skills are required. The only essential is a keen interest and commitment to this school and this community. The most important thing you can bring is time, commitment and enthusiasm.

The governors meet once every half term (six meetings a year) for about one and a half hours each time with additional meetings as required for members of sub groups.

If you are interested or want to know more about the role then please

contact Sedbergh Primary School on 20510 or email admin@sedbergh-pri. cumbria.sch.uk alternatively you could chat to one of the current governors.

New BTEC Agriculture

A new route to studying Veterinary Science, Engineering and Environmental Science is now open to Sixth Form pupils at Sedbergh School, Cumbria, following the announcement of a joint venture with Newton Rigg College in Penrith.

Pupils choosing a new BTEC Subsidiary Diploma in Agriculture, from September 2014, will spend one day per week based at the North Cumbrian college, benefiting from facilities including a £2m dairy unit, two farms, a Roundhouse beef finishing unit at the York campus,

The diploma will give pupils 60 UCAS credits, the equivalent to one A Level.

Sedbergh School Headmaster Andrew Fleck said: "The combination of practical and academic subjects provides an ideal platform for pupils to progress to Higher Education, in particular in vocational and practical courses. Pupils who combine A Levels with our new BTEC in Agriculture will have a wider range of skills, a broader knowledge base and a greater understanding of the Agriculture industries. It's an exciting project which we believe will open up new opportunities for pupils to succeed. Combining this course with subjects such as Maths, Biology and Chemistry will immediately distinguish candidates who wish to apply to study Veterinary Science and this has been warmly welcomed by Admissions Tutors."

Newton Rigg, which is part of Askham Bryan College, is the fastest

growing land-based college in the country and the only one to have its own hill farm and moorland. It is also The National Centre for the Uplands, funded by the Prince's Countryside Trust. Wes Johnson, Campus Principal for Newton Rigg College. said: "The course explores all aspects of modern agriculture and ways of addressing the challenges of 21st Century farming. The Agriculture industry needs at least 86,000 new employees in the sector by 2021 according to LANTRA, Skills Sector Council and we work closely with industry to help shape the most appropriate courses as we strive to provide students with the best possible chance of progression in the future."

Rod Bristow, President of Pearson Education, said: "We already know that there is a strong correlation between having a vocational qualification such as a BTEC and being in employment. Our latest data shows that vocational qualifications, like A Levels, also give you the opportunity to excel at university." Mary Curnock Cook, Chief Executive for UCAS, recently issued a statement summarising the increase in numbers of pupils entering University holding BTEC qualifications, an increase since 2008 of 80 per cent.

### **BRIDGING THE GAP**

support for people with hearing loss

Bridging the Gap is a service for people with hearing loss run by the Charity Caritas Care.

The project aims to bridge the gap in support for people with hearing loss by helping to maintain hearing aids, advise on amplified phones, TV loop systems, loud doorbells etc. and befriending. This is done via regular monthly drop-ins around Cumbria where cleaning and retubing of

hearing aids can be carried out and supplies of batteries are available. The project will also visit people in their homes if they are house bound and unable to get to the drop-ins or require a demonstration of phones, loop systems, door bells etc.

We are now taking over the monthly sessions in Sedbergh from the Audiology department. They are on the first Monday of the month, from 2-4 pm at the Medical Centre on Station Road. Like all our drop-ins this will be manned by experienced volunteers or staff and there is the opportunity to be a volunteer for this service.

Other drop-ins near to Sedbergh are:

#### **MARCH GARDENING**

March is the month when the earliest flowering Daphnes are in bloom. Perhaps the most commonly known, and grown, is our own native Daphne mezereum with its highly scented, pink flowers, born on bare, grey green stems. D mezereum is fairly slow growing and makes a small neat shrub ultimately growing to around 3ft in height. Flowers are followed by bright red (extremely poisonous) berries which sometimes give rise to new seedlings. The leaves are short and narrow and following flowering the plant looks rather uninspiring, so it needs careful placing - somewhere sufficiently near to a path or lawn such that the

wonderful fragrance can be appreciated at a time of the year when a garden is less frequented, but not in a prime position where its summer scruffiness is too obvious. D. mezereon can be a little hard to establish when a mature plant. I have had most success with younger, seed raised specimens which seem to move more readily. Flowers range from deep rich pink, through pale, rather dusky pink to white. The former are the most showy. The latter (cultivar 'Bowles Variety') have yellow, rather than red berries. Daphne mezereon grows wild on limestone and can occasionally be found in our region – on Ingleborough and Whitbarrow Scar. Its popularity

over the last centuries has led to a decline in wild plants and the only specimens that I have found have been rather pale weedy things skulking in a shady woodland. Growing near to these, our other native Daphne – *D. laureola* looks much more healthy and robust. It is evergreen and bears pale yellow flowers whose subtle fragrance is at its most pronounced in the evening.

Both of these Daphnes are reliably hardy but there are several other slightly more tender species which are well worth considering. D. bholua 'Jaqueline Postill' which garden visitors to the beautiful gardens at Holehird may have encountered, has deep pink, white centred, beautifully fragrant flowers which are born amongst evergreen foliage in early spring. Given the right spot, this plant is a strong grower and the Holehird specimen which grows against a wall, must be at least 8ft high. At the other end of the scale *D. cneorum* (Garland Flower) is a low, creeping evergreen shrub, more suited to the rock garden. It bears clusters of rose pink,

scented flowers, in late spring. This year I hope to introduce a cutting grown plant of *D. retusa* to my garden. *D retusa* has glossy, dark green leaves and fragrant white flowers which are followed by red fruits. The cuttings seem to have come through the winter in good health but I will probably grow the best on in a clay pot, rather than planting it out into a soggy border. Daphnes all love good drainage at the root, and in this garden the best chance of surviving the winter wet will be to raise the roots above the ground in a gritty compost.

News from the Pews

Sedbergh is a caring community. We are reminded of this on a daily basis as kind deeds and generosity go hand in hand with everyday life in our town. Tins and other foodstuffs quietly find their way into the collecting points for the Kings Food Bank, which helps to feed the poor

and needy in the Kendal area. These supplies are regularly taken to Kendal on a voluntary basis. Helpers give freely of their time and experience to man and manage our Charity Shop and likewise our Community Office. We look out for those who are struggling in various ways, helping as and when we can. In our church services we pray for those known to us who are ill or bereaved or going through difficult times. In St Andrew's we have a book at the back of the church where names can be written. The names will be added to the Intercessions List and will be remembered in prayer during our regular services.

The Vicar will be holding the first meeting of a "Pilgrim" Lent Course on Pancake Tuesday, 4<sup>th</sup> March at 7.30pm. As the venue has yet to be decided, please call 015396 20018 and speak to the Vicar should you plan to join us. This course is open to members of any church and to those "just looking in'. There is a copy of the material at the back of the church should you wish to have a look.

The following day, 5<sup>th</sup> March being

Ash Wednesday please note the usual 11.15 am Communion Service will begin at the earlier time of 11am to allow time for a Triple "A" Lent Course as part of the service. Lent Lunches begin at 12noon in the church room; the proceeds this year going to St John's Hospice in Lancaster.

Another get together with food is planned for Friday 28<sup>th</sup> March in the Church Room for the Parish Annual General Meeting. As always meat and potato pies and puddings to die for are on the menu followed by the business meeting that is usually short, sharp and to the point with the premises cleared before 9pm.

As always the Chameleons and

BOF are very active and well attended. Whenever I hear either of the groups on Friday evenings I am always amazed just how strong their voices are. Wonder if they might consider singing in the church choir? BOF are already preparing for their next performance in June.....not sure what it is, but rest assured it will be worth watching.

fasting and abstinence. Some people give up alcohol, red meat or biscuits, try to do without sugar in their tea or coffee, or even give up on coffee itself. Often these are more to do with living more healthily rather than trying to be a better or more spiritual person – but they can still be a good thing, especially if you commit to give any money saved from giving up your bad habit or vice to a good cause such as Christian Aid, St John's Hospice or the Air Ambulance.

Nevertheless, if you are going to 'give up' something for Lent it is still a good idea to try and have a more positive Lenten discipline as well – something that will help bring you closer to God rather than just making you grumpy! You could try reading a bit of the Bible every day, perhaps read through one of the Gospels, and if you finish that move on to the lovely letters written by John which remind us about the love of God that we have seen in the person and ministry of Jesus.

You might even fancy joining a Lent Course – there are quite a few being offered by **Sedbergh and District**  **Churches Together**, and they are open to anyone, irrespective of denomination or belief. You can find details here in this edition of Lookaround, or ask your Church Minister.

Finally, if you simply want to try something personal that will simply help you to be a better person have a look through the following list and pick a few that you know are relevant to you!

Give up giving up—see things through and be dependable!

- Give up complaining—try to see the good in all people and all situations!
- Give up pessimism—your glass is half-full!
- Give up worrying—use your energies where you can make a difference.
- Give up being judgemental—think positively.
- Give up discouragement—be a son (or daughter) of encouragement.
- Give up misery—learn to laugh at yourself and the world.
- Give up self-pity—learn to cry

with friends and move on.

- Give up bitterness—give and receive forgiveness.
- Give up hatred—return good for evil.
- Give up anger—let peace begin in you.
- Give up negativism—be positive.
- Give up pettiness—show a mature serenity.
- Give up doom and gloom—we can get through this!
- Give up jealousy—praise people for their gifts and talents.
- Give up hoarding—learn unstinting generosity.
- Give up gossiping—share it with God in prayer instead.

#### **BOOKWORM**

What I have been reading this month:

1. 'Letters from the Edge' by New Internationalist (non fiction)

A collection of travel writing as short letters from eg China, Mongolia, Nigeria over a 20 year period 1986 - 2008. Daily life and issues all tackled by women living in the communities they write about. A treasure trove!

2. 'Sweet Tooth 'by Ian McEwan (fiction)

Very, very good, an unstoppable read! Brilliant writing and a clever plot - measured, intelligent and unsettling. Serena, a bishop's daughter graduated from Cambridge University in the 1970s and drifted into working at MI5. Her first assignment involves recruiting an aspiring novelist, currently a university lecturer, to write his first novel, indirectly funded by MI5. Deceit, lies, invention and betrayal -

the opening lines give the final outcome - she was sacked after the project went wrong but who can you believe and trust?

3. 'Gold ' by Susan la Niece ( non fiction)

Informative book on a metal that has fascinated people for centuries for its special properties and symbolism across cultures. There are chapters on jewellery, coinage, goldsmiths and myths. Superb photographs of golden objects from around the world.

4. 'The Faber Book of Gardens' edited by Philip Robinson (non fiction)

From AD 400 to the present this is a compendium of garden related items eg poems, advice from Greek philosophers and plant management from gardens across the world small and large. A delight to dip into and very well collated and edited.

5. 'Instructions for a Heatwave' by Maggie o' Farrell (fiction)

Slow moving, methodical narrative set in the heatwave of 1976. Retired bank manager Robert goes to get his paper, as he has done for years, at 6.45am and does not return. A family conference is called and the 3 grown up children gather as a family in crisis. Secrets unravel slowly in the heat. They have the power to destroy. £20 cheque stubs marked 'Assumpta' are found in Robert's desk. Who is the guiltiest member of the family and who the most aggrieved ? Lots of issues and questions left unresolved even by the last page.

6. 'Dear Mary, love Percy - a Creative Thread' edited by David Cross (non fiction)

This book focuses on the illustrated letters from gifted Cumbria artist Percy Kelly to Mary Burkett during his life from 1968. to 1993. Kelly was a complex personality and a prolific artist with many facetted talents. The correspondence reveals how supportive the friendship and contact with Mary was for Kelly. I found this is an insightful book beautifully illustrated with Kelly's work.

THE AFTERNOON WI FOR THE **ENTIRE DISTRICT** 

Short and Sweet! That's what I am and that's what this report is going to

This month we had a back-to front meeting – speaker first, then tea and business. Sloping off before the end was forbidden.

Our speaker, Major Watkins gave us a full, informative and enjoyable rundown on the Salvation Army. After a high powered business life with BT, both he and his wife became ministers and worked in many unfamiliar areas, both socially and geographically, and found the work

be recommended as witnessed by an unknown visitor who wandered into our meeting by mistake and found it so interesting that she stayed for the whole talk! Please come again.

Then tea – delicious as usual, followed by business. My standard agenda keeps me on track and if I stray there are plenty of kind friends to sort me out.

APOLOGIES - plenty (hope you are all OK now); GENERAL WELCOME REMARKS - done; AND BIRTHDAYS – 6 this month including a zero birthday for Anne Macer but sorry it's too far to send a cake to Hertfordshire; MINUTES -read; TREASURER'S REPORT - by WI very satisfying. Definitely a speaker to dictat we only need to hear this every

three months but we like to know where we are: CORRESPONDENCE and MATTERS ARISING - Susan sorts that; WI NEWS and PLANS FROM IT - the newsletter sent out to all branches from the Kendal office. We have recently cut back the number of copies we have of this as at 20p this adds a cost per member of £2.40 per year. No new outings planned but plenty in hand already. AOB – 1.Lunch at Farfield Mill about 20+ of us going! My mother used to say that my brother's Patron Saint was St. Omach. 2. One of our members wondered what the WI could do to help the folks afflicted by the flooding. A call has been made to the federation office in Kendal but so

far no response. 3. We are going to have our top quality bric-a-brac stall at the Sedbergh Gala on May 17<sup>th</sup> so start collecting. All monies go to our Thandi fund. REMINDERS – RAFFLE & COMPETITION. Won by Pam Siddall & Pauline Ramsbottom – I think. One of my favourite excuses is, "I'm sorry but the brain cell which contains that information has just died!"

Our next meeting is on Tuesday 11<sup>th</sup> March at 2-00pm in the committee room of the People's Hall.

Valerie Cann and Wendy McLean are going to prove us wrong! Their title is "So you think you can't stitch!" Be there but don't prick your finger or you might sleep for a

**P.S.** Our congratulations to Spellbound Theatre on their hilarious production of "Calendar Girls". A gang of us went and really enjoyed it. I particularly liked their Lady President.

You never know what you're in for when you join the WI! We suggest "The Full Monty", for the next production - just to even things up!

#### **SEDBERGH WI**

Sixteen hardy but windswept ladies were blown into the Methodist Church Hall on Wednesday 12<sup>th</sup> February, the wettest and wildest night of the winter – so far, at least! Sadly, our speaker, Steve Beattie, who would have had to travel from Lancaster to give us his talk on dramatic 'Missed Cues', decided that discretion was the better part of valour and, rather than risk the force of the gales on the M6, decided to cancel his appointment, thereby adding to the number of cues he had missed.

Unfortunately we were not completely protected from the elements inside the hall because the wind and rain were blowing through a small window pane which was broken. Three ladies struggled to make a temporary repair using sticky tape and plastic bags (which kept getting sucked out of the window and therefore wet!) while the business meeting got under way.

The really sad part of the meeting was saying farewell to Linda Hopkins who will soon be leaving us for the flatlands of Suffolk. Rosemary Mason

made a moving speech, thanking her for her long service to Sedbergh WI (formerly Frostrow); she has been a member for 19 years, 15 of which she has served on the committee, including several years as President. She has been instrumental in holding the WI together at times when the membership fluctuated, as well as in encouraging new members to join; she has been much appreciated also for organizing the walking group holidays and being a member of the Book Club. Rosemary presented Linda with a card and garden tokens from us all. We will all miss you, Linda, and wish you and Vic much happiness in your new life, hoping that having fewer responsibilities will enable you to spend more time together in relaxation and travel. However, Vic is probably already well aware that there are two WI groups in Halesworth which will no doubt be vying for your time and expertise...

The business meeting over, there was time for tea and cakes before the entertainment, devised at short notice by our ever-resourceful programme secretary, Anne Petyt. Sue Kernahan, Anne Pitt and Pat Ramsden were prevailed upon to form a panel for 'Call my Bluff' while the rest of us made up four teams. One of the words whose definition we had to guess was particularly relevant to everyone who lives in Sedbergh. Do you know what a MUMPSIMUS is? None of us really knew but a few of us guessed it right! It can be applied to 'a person who obstinately clings to an error, bad habit or prejudice, even

after the foible has been exposed'. The relevance to us in Sedbergh is that we ALL know people who INSIST on pronouncing 'Sedbergh', not correctly as 'SEDBER' (a spelling which can be found on old maps, for example) but as 'SEDBURGGG' or 'SEDBOROUGH', even after being gently corrected, often many times! Judging by the laughter and nodding heads, we have met a lot of mumpsimuses!

After seven of the planned ten questions, with the wind howling ever more loudly through the trees and the plastic bag over the broken window nearly completely unstuck and needing further and more drastic attention with the help of all the

drawing pins we could harvest from the notice boards (apologies to any Methodists who found their notices fluttering later in the week), we abandoned the meeting and made our way out into the teeth of the gale after a most entertaining and educational (!) meeting. Many thanks to Anne Petyt and the panel for increasing (and possibly confusing) our word power!

The weather hadn't improved much by the next afternoon when 13 ladies met at Denise Thomson's house for Book Club and were able to watch from her windows at Cautley as curtains of sleety rain were driven by the wind past the towering slopes of the Howgills. The book under

attention with the help of all the the Howgills. The book u	0 1

discussion was 'The Blood of Flowers' by Anita Amirrezvani, a novel set in Iran in the early seventeenth century and dealing with the lives of Persian carpet weavers. Contrasting with the beautiful works of art the hardworking weavers produced, we learnt of the horrific social conditions which led to penniless bereaved women being kept in virtual slavery by the prosperous relatives they depended on, and young girls even 'sold' into temporary marriage contracts for 3 months at a time while their temporary 'husband' was negotiating a lucrative dowry for a permanent marriage with some rich man's daughter. Unfortunately, we can't dismiss this as being simply 'historical' fiction since this kind of slavery still exists in various forms today, and not too far from home either. With scores for the book varying between 5 and 8, the average vote given by members was

somewhere between 7 and 8. Tea and delicious cakes followed the discussion: the experimental battenberg and crispy demeraratopped cherry cake went down a treat! Thank you very much, Denise!

Our next meeting will be in our usual venue, the committee room at the People's Hall, at 7.30 pm on March 12<sup>th</sup>, when we look forward to being entertained by Jacqueline McDonald, the 'Jacqui' of the 'Jacqui and Bridie' folk duo. Her subject is 'Singing my Travels'. Visitors are always welcome.

#### **DENTDALE WI**

I suppose it was very unrealistic to think that the bad weather wouldn't cause problems here in the north, so, in spite of a forecast for storm force winds coming from the west during the evening, we still had quite a good turnout at the February meeting. We

Page 54

sat round in a semi circle anticipating our speaker for the evening who would be giving us an Introduction to Pilatis. Before that, however, Catherine went through the business meeting. She mentioned that our next luncheon club outing was to Farfield Mill on the 24<sup>th</sup> February and a list was out to sign. She handed over to Belle Burrows to remind us again about baking for the refreshments for the Dentdale Run which would be into it's thirtieth year. Belle Burrows asked members to sign up to help with preparation etc. and told us that by way of celebrating the 30th anniversary, a group of parents from the school wanted to make an enormous cake of over 400 cup

cakes. So, this year we are asked to make contributions of scones and traybakes and there was a special list for baking cup cakes (not iced though) to form the centre piece. Although sitting comfortably in the warm hall, we were aware of the wind rising and beginning to howl outside. It was when our speaker arrived from another engagement in Sedbergh to say that the road to her home was flooded, and the wind at a dangerous level and that she would not be able to stay, we realised how serious things had become. Sensibly, others living in the same area decided to leave also. So the meeting was

effectively cut short and the Sports

quiz competition will have to wait for

#### **HOWGILL WI**

We met on February 6th at the new refurbished Church Hall in Firbank.

The sun shone when the Walking Group were in the Brockhole and Windermere area recently. Vera Hodgsons will lead the next walk on March 7th.

Members are to attend forthcoming events the Open Meeting hosted by Casterton WI "A Passion for Pearls" and if we are feeling flush, we can have a purchase. The Quilting Workshop at the WI Office and the half yearly Council Meeting in the Town Hall in Kendal.

Ideas were put forward for a Summer Outing. We are to remember flood victims in the south of England via e-mail to the relevant Federation. Bridget gave a warm welcome to Rob

David who gave a talk accompanied by slides giving us the history and links of Cumbrians in the Arctic. The hunting of whales has existed for thousands of years. As early as the 17th Century, organised fleets of early explorers set out from Whitehaven to the Arctic for a variety of reasons for meat and by-products. Blubber was melted down into oil for lighting the towns. Baleen from the mouth was made into corset stays and tennis racquets. Memories of whaling can be seen in Kendal Museum plus a whale bone arch north of Kendal. You will also find a Harbour Seat in Whitehaven.

Rob followed up his research with a at Howgill Village visit to the area in Greenland showing will be welcome.

us the geological features, icebergs and glaciers and the lifestyle of the people.

Lyn Marsden expressed thanks for a fascinating insight into a subject we knew little about.

Rob had written a book which was on sale on the night.

The Competition for 'Something to do with the Far North' was won by Bridget Postlethwaite with Sheelagh Denniss second.

The social time to name the trees from given clues was won by Bridget with Sarah Scarr second. We meet again on March 6th when Andrew Lowe will speak on 'A career in ruins' at Howgill Village Hall where visitors will be welcome.

#### **ROSE COMMUNITY THEATRE**

It's all systems go for this year's exciting Rose Theatre production, 'Turnabout Abbey'. We are happy to welcome back Sue Richardson and new member Dorothy Pratt to our cast. Many brave youngsters from the primary school will also join this cast of thousands (at least, that's how big it seems on the stage and back stage sometimes!). I have no doubt that you will have guessed that this year's show is based on a well-known television drama, but the cast of that series don't do comedy like Rose Theatre does!

Ernie Hailwood and Phil Satchell are busy sawing and nailing an assortment of wonderful scenery

surprises. Viv Hailwood directs the action while Ernie regularly puts down his saw to arrange the music for this production. Sandy Roy and Gordon Hosker will once more provide wonderful accompaniments for the singers and there will be additions to the band for some numbers, just to add to the musical excitement. Steve Longlands will be throwing light on to the occasion, Ina Hutt is kindly providing and setting up the sound equipment which Roger Bush will run, including exciting special effects. As for myself I will be running up a few outfits (er .. about 30ish!) and trying to pursued Lesley Alban's wonderful team of make-up ladies to sign up for another year.

#### **MUSIC FESTIVAL**

Plans are now in hand for the Sedbergh Musical Festival. Our first one - brainchild of our Vice-President Deryck Cox - was held in 2000 to celebrate The Millennium. This was a huge success, so much so that it was decided to hold a second one in 2002 linked to the celebrations for the Queen's Golden Jubilee. Again people enjoyed it so much that the Festival became a biennial event. An eighth Musical Festival is being planned for this year 2014.

Thanks to the support of people like you, an excellent festival so this kind has become a part of the fabric of Sedbergh. Your help in the past has ensured that it was a period of quality

performances and our plans are for a similar celebration this summer from JUNE 1st to JUNE 15th. The costs involved in such a project are high especially with artistes such as internationally acclaimed concert pianist Ashley Wass and the spectacular Cottontown Chorus who brought the house down on their last visit. We also feature the Manchester Gospel Choir, an evening of exciting Cuban and South American Dance Music, and the medieval crumhorns and sackbuts of Cornucopia. The Festival will finish with Handel's Messiah under the baton of guest conductor Timothy Brown, formerly of Clare College Cambridge Choir.

I wondered if you would like to support us by making a donation of £30 (more if you can) to help us meet these. Funding becomes more difficult, and your donation could he release grant funding from various trusts to whom we appeal for sponsorship.

We are fortunate to live in a beautiful part of England, even more so to have such a rich cultural life within our community. I am sure you will want to join me in continuing this excellent tradition. If you are willing to help, please make your cheque payable to SEDBERGH FESTIVAL 2000 - no, this is not a misprint! - and either send it to me at the above address or leave it in a clearly-marked envelope at the Town Information Centre, 72 Main Street, Sedbergh.

With all good wishes,

George D Handley

#### **COBWEB ORCHESTRA**

The annual residential weekend of music will be held again this year in Sedbergh School's Powell Hall. The Orchestra will spend the period of Friday April 4th until Sunday 6th playing a wide range of music. The weekend classes with a Sunday afternoon play through some of the works we have played.

Everyone is welcome to come to this very informal Concert. There is no charge in entrance or in the tea and coffee. There will be a tin by the refreshments table for Donations to Orchestra Funds as well as McMillan Nurses.

The Informal Concert will be at 2pm on Sunday April 6th.

The Cobweb Orchestra is now in its 18th year and now has 8 separate Orchestra form Morpeth in the north, York in the south and Tebay in the south west. We are the largest amateur Orchestra in the north of England.

For more information, go to the Web Site at <a href="https://www.cobweborchestra.org.uk">www.cobweborchestra.org.uk</a>

#### TROTT MUSIC FOUNDATION

If you are under 18, or a parent or guardian of a young person who has an interest in music, the trust may be able to provide financial help towards any aspect of music education being pursued. Grants are made to coincide with school terms three times per year.

A simple form needs completing by you and your teacher, to confirm that training is being carried out.

A form may be obtained by personal collection from Dalton & Hague at 7 Main Street, Sedbergh, by telephone 20365 or e-mail request to office@daltonandhague.co.uk. The deadline for applications for a grant in the summer term 2014 is 31st March.

#### **CITIZENS ADVICE BUREAU**

From this month, there will be a regular article from the Citizens Advice Bureau which will be setting up very soon in Kendal. Further details will be given when details are finalised. In the meantime, the following article was distributed in February.

Letting agents – know your rights

With a shortage of affordable or social housing across South Lakeland many people have no choice but to find accommodation in the private rented sector. Citizens Advice across the country helps many people to sort out problems with their Landlords and

we also lobby Government for improvements.

From 1 November 2013, letting agencies must provide information in their advertisements, in print and on

their websites, on what fees they charge. This new Advertising Standards Authority (ASA) requirement does not stop agencies charging excessively high fees – but it does mean they

have to tell you about them, clearly and upfront.

Our colleagues at Shelter have produced an online tool to help enforce the new requirements. You can use it to tell Shelter every time you come across fees that have not been advertised and they will pass the information on to the ASA to take action, just use this link: <a href="http://england.shelter.org.uk/campaigns/fixing-private-renting/letting-agencies/report-hidden\_letting-fees">http://england.shelter.org.uk/campaigns/fixing-private-renting/letting-agencies/report-hidden\_letting-fees</a>

Please note that this does not apply to adverts listed on property portal sites such as Rightmove, Zoopla and Primelocation, as they are exempt from the new requirement.

A new consumer redress scheme is also being developed, a draft was issued by Government in November, and we hope that the scheme will soon be implemented.

THE COMPLETE SERVICE

Dear Editor,

On 2nd January, we were visiting Sedbergh with some friends when I fell and sustained a fractured femur.

Very quickly, local people came to our aid. Firstly, a Chimney Sweep

who brought dust sheets to put under me (as the ground was very wet and cold) and secondly a lady Scout Leader - who I think was called Tricia, who telephoned the Doctor and the Ambulance Service. Also a lady in a wheelchair and an owner of an Antique Shop who offered help.

Within 20 minutes, the Ambulance arrived and I was taken to Lancaster Hospital where after a short wait, I received excellent medical treatment.

Through your local Newsletter, we wish to extend our grateful thanks for all the help and assistance we received. Also, to the Ambulance Crew from Kendal - which included a lady driver and a Paramedic called Anthony. They soon made me very comfortable and reasonably pain free before the onward journey to Lancaster Hospital.

We would like, if possible, to return the dust sheets to the Chimney Sweep or leave them at the Information Centre for collection.

This was not a good start to the New Year but how fortunate w were to be visiting Sedbergh where the local people pulled out all the stops to give us first class help and support. We are most grateful.

Just for the record, I am now back home after three days in Lancaster Hospital after being transferred to York for the completion of the treatment.

We are looking forward to visiting Sedbergh again, but hopefully next time, I'll stay on two feet!

Mary & Frank Dawson York

## SEDBERGH & DISTRICT INFORMATION CENTRE

Hello! This is a quick message to remind you that the Information Centre is here for residents as well as visitors. Come and see us at 72 Main Street – as well as giving you information about what's on in the area we can sort you out with a parking permit, help you get started on an application for social housing, get you plenty of other information about everyday problems, give you a Community Fund application form, listen to your scheme and suggest ways of getting it off the ground ... and take your old batteries for recycling. Not to mention the wide range of second-hand books for all tastes and all budgets that we sell.

The Yorkshire Dales planners still have their surgeries in the Parish Council office upstairs. Their

fortnightly timetable has been affected a bit by staff shortages, so the best thing to do is contact them directly by emailing planning@yorkshiredales.org.uk or ringing 01969 652349 to find out when they will be here next; you can let them know the outline of your question at the same time, so they will be able to prepare to answer properly. We have all the current planning applications in the Information Centre if you need to look at one.

I still look after the Wednesday Market, so if you've got a good idea to try out, come and talk to me about our very reasonable rates and gazebo hire. As you can see from the advert elsewhere in this month's Lookaround, the market is building up again after the Christmas and New Year break and we now have a weekly artisan bread stall go with the other regular stalls. Most stalls are open by 8.45 if you need to go shopping on your way to work.

Lastly, Ian from the CIO (the new charity which will soon be managing this building on behalf of the community) asks me to remind you that if you would like to be a member of the CIO – which is painless, free, and need involve no more than attending the AGM once a year to check what the trustees have been up to – just come in to us and leave your contact details which we will pass on.

Best wishes, Andi Chapple

Yorkshire Dales Society; FELLS, and other organisations. Nine local parishes had objected, and over 1,000 individual letters of objection had been sent to SLDC.

Four Landscape and Visual Assessments had been submitted to SLDC which all concluded that impact of the windfarm outweighed any benefits.

Based on strict planning terms, a request to the Secretary of State

(SoS) to "call-in" the decision has been submitted by three organisations: FELLS (Friends of Eden, Lakeland and Lunesdale Scenery), Friends of the Lake District (FoLD) and the Yorkshire Dales Society. This means that the SoS could, if deemed appropriate, call-in the decision and trigger a Public Inquiry. The SoS has issued a Direction to SLDC preventing the issue of an Approval Notice for the windfarm. In the meantime the planning meeting procedure and relevant documentation will be reviewed by the SoS. It is likely to be many weeks before we learn what is concluded.

#### **MOVING FORWARD**

The Methodist and United Reformed Churches in Sedbergh have a tradition of working together that stretches back many years. After discussion and debate during 2012, in the early Spring of 2013 both churches voted unanimously to explore together how they could share the resources they have in people and buildings. As a result of this two key questions emerged -

- Are there any facilities needed in this community which are not currently available?
- How can the church resources, including people and buildings, be used to the benefit of our community?

We, as members of the URC and Methodist churches, are on a journey, together and as part of the wider church in Sedbergh, and we don't know where the next destination will be. We plan to spend significant time

#### **SEDBERGH & DISTRICT HISTORY SOCIETY**

A large audience gathered in the Dent Memorial Hall on the 19<sup>th</sup> February to hear a talk given by Anthea Boulton entitled "Treasure Trove of Memories". She was assisted by Veronica Whymant and Dilys Evans with technical assistance provided by Neville Allen. The Dent Oral History Project had been started by Anthea in 1994 but had since been expanded to cover Sedbergh and other neighbouring areas.

The theme of Anthea's talk was the work ethic in the area particularly before the advent of machinery and mainly covered the period either side of World War II. Extracts from conversations with past and present local residents were listened to in which they remembered their childhood days and life as young adults.

In those days many articles were handmade rather than bought and trade was often carried out by bartering rather than cash purchase. Events such as hay making and pig killing were important in the year and entailed much hard work. There were also hiring fairs twice a year in which the farm labourers were picked by the farmers. The ability to milk cows well and to be good with a scythe were the main attributes needed to be selected for work.

Most farms had a dairy herd and the regular payment from the Milk Marketing Board provided a life line as incomes were low. The advent of tractors and later electricity made things easier in the decades after the war. The present day farmers work hard but do not have the unrelenting grind endured by previous generations although that did not prevent them from enjoying themselves with communal entertainments.

The chairman thanked Anthea and her assistants for a most enjoyable evening which had been much appreciated by the audience.

#### YORKSHIRE DALES NATIONAL PARK

Exclude National Parks from barn conversion proposals

Ten charities have sent an open letter to Planning Minister Nick Boles MP, urging him to exempt National Parks from proposals based in the

to allow redundant barns to be converted into housing without planning permission.

The Government is expected to make a decision imminently on proposals which have attracted widespread opposition from the National Park sector.

The open letter was co-ordinated by the Campaign for National Parks and is also signed by all nine of the Friends' groups who campaign locally to protect and enhance the National Parks of England. Signatories are deeply concerned that uncontrolled development could lead to significant harm to the natural beauty and special qualities of National Parks which contain a high number of redundant agricultural buildings. For

example, there are around 4500 field barns in the Yorkshire Dales National Park; many of which are in locations where residential use would require intrusive and unsightly new access routes and power lines. The letter argues that the new permitted development rights should not be introduced anywhere, but most importantly, not within National Parks.

The letter also highlights the potential impact on wildlife. Many redundant agricultural buildings, including modern structures, are home to wildlife such as bats, which are protected under the Wildlife and Countryside Act 1981. The proposed changes will remove the ability of

National Park Authorities to alert those undertaking conversions to the requirements of this Act so that they can undertake wildlife

surveys where appropriate. Allowing demolition and rebuilding on the same site means an even greater threat to protected species and habitats. Camilla Johns

#### JANUARY WEATHER

You do not need me to tell you it was a wet month!! Although not quite as wet as December there was only one day when we didn't record any rain! We ended up with 8.38 inches (212.2 mm) No time during the month did we reach normal atmospheric pressure. Consequently it was a very breezy month with a maximum gust of 24.8 mph twice. For January it was a mild month with maximum temperatures being in the 40sF on all but 2 days with a high of 49.8F (9.5C) On only 2 days did the minimum temperature drop below freezing with a low of 29.8F (-1.5C) Several days the minimum temperature was in the 40sF. The wind chill took night time temperatures below freezing on all but one night and that reached freezing! We saw very little snow at ground level though the fell tops were white on occasion.

With the continued rain the waterlogged ground continues to be a problem quickly becoming a muddy bog!! The mild temperatures are reflected in the budding of shrubs such as clematis and honeysuckle. Winter jasmine and viburnum have continued to flower and green hellibores are bursting. Birds are already singing to claim territories with owl, song thrush and great tit being heard. Foxes have been barking also, though one would have expected them to be paired up by now. Snowdrops were showing signs early in the month with established ones in the garden being in flower mid month but replanted ones were still only green.

## WALKERS & CYCLISTS ARE WELCOME

A new group has just started up in Sedbergh to promote walking and cycling in the area.

Inspired by "Walkers are Welcome", a national initiative that began in 2007, the group in Sedbergh is hoping to emulate the success of

other towns, such as Kirkby Stephen, where the scheme has being promoted to improve the health of visitors and locals, and to bring more business into the town.

The group's objects are:-

- to seek "Walkers are Welcome" status nationally,
- 2. to improve facilities for local and visiting walkers and cyclists,
- 3. to publicise routes and promote better use of existing paths and bridleways, and
- 4. to bring more trade to businesses in Sedbergh and the surrounding area.

"There are already many organisations involved in promoting both business and tourism in the Sedbergh area", says Carole Nelson, who brought the group together. "What we are trying to do is to provide a new focus specifically dedicated to the needs of walkers and cyclists".

During the month of March shoppers in Sedbergh will be invited to sign a form expressing support for Sedbergh becoming a "Walkers are Welcome" town. This expression of support from you is vital if Sedbergh is to be accepted as part of the national scheme. All we are asking for is your signature -that's it! If you wish to get involved beyond that, please get in touch with Carole Nelson at The Sleepy Elephant on Main Street - Tel: 21770 - E-mail:

#### **DENTDALE RUN**

One of Dent C of E School's largest fundraising events, the annual Dentdale Run will take place on Saturday the 8<sup>th</sup> of March. This year's race is the 30<sup>th</sup> anniversary and we are hoping to make it a special one.

The run is supported by its main sponsor, Dentdale Brewery and receives the huge support of other local businesses as well as a number of local people and organisations who provide catering and marshalling. Commencing at 1pm, the run is just over fourteen miles and takes place around the lanes of Dentdale. Entries are invited from affiliated and non-affiliated runners. For affiliated

runners the cost of entry is £11 in advance or £13 on the day with non-affiliated runners paying £2 more.

Free car parking, showers and plenty of refreshments will be available to runners. Trophies and prizes will be presented, immediately after the race in the memorial hall, to the top runners in several categories including, ladies, teams and veterans categories.

On this day the village itself and the surrounding roads will be very busy especially between 12pm and 3.30pm with around 500 runners setting off from the village at 1pm. I would like to ask that if anyone is moving livestock or expecting large deliveries on this day could they please try to avoid these times.

Spectators are very welcome on the day or if you wish to enter then you can obtain an entry form from <a href="https://www.dentdalerun.com">www.dentdalerun.com</a>. If you require any further information then please call 25185.

#### **DENTDALE CLUB**

Despite the poor weather during the later months of 2013 and the beginning of 2014, the regular Friday meetings of the Dentdale Club continue to enjoy steady attendance and a range of speakers.

Early December saw everyone taking part in the usual Christmasthemed Quiz, some with more success than others, but the sharing of mince pies and other Christmas food goodies helped foster a keen competitive spirit!

The February gathering welcomed our very own *Lookaround* Editor Dennis Whicker who, in his own inimitable fashion, outlined the beginnings and history of the publication – hard to believe it has been going so long and we all remembered many of the events reported in the early editions! Keep up the good work, Dennis!

### **LOADS OF RUBBISH**

Many people will have noticed over many months from time to time someone picking up litter between Sedbergh and the M.6. We know this person, who we shall simply call Bill (yes his real name we won't embarrass him by putting his full name) and wish to express our sincere thanks to him because he is NOT PAID to do this work, he simply cares for our beautiful countryside and does this in his spare time. SO A HUGE THANK YOU TO HIM. As most of this litter is left by motorists perhaps some enterprising person could design a sticker to put INSIDE cars to remind people not to throw litter out of their vehicles (just take it Cumbria in Bloom Group home)

#### **CUMBRIA IN BLOOM**

Like the Snowdrops we are raising our heads again and we have met to discuss the projects we hope to tackle this year.

They include the follow:-

- Total revamp for the two flower beds at the Fire Station which contain many conifers which are rather "past their sell by date" and we will then replant them.
- 2. The garden at No. 72 Main Street (the Information Centre). (Not the lawn cutting)
- The small round planted area at top of the steps leading to Thornsbank
- 4. The triangle area at Toll Bar Junction

We will, of course, continue with the ongoing care of the flower beds in Main Street, Queens Drive and other small areas.

Many of the projects we wish to tackle will cost money and of course we will have to seek funding to achieve our aims. Anyone who may wish to sponsor a bed will be greeted with open arms, or alternatively if you simply want to lend a hand you will be made most welcome to our very small group.

Our aim as always is to make Sedbergh welcoming with cared for public area.

day before the Lookaround deadline, my limited knowledge means I can't sort it out. My phone is trying to tell me we are in Casterton, two days ago, and cloudy. I do know where I am, it is not there and outside is dark .. oh do keep up!

Hubby is now 60, we had a fantastic party with a lot of info about him, great food, fun games. A lot of cards adorn the house and he can now have a free bus pass, free eye test and a full health check, perhaps he would go if there was an incentive. My one for having tests done is to discover what is wrong inside me.

The grandsons are developing as they ought and we adore them, if Grandad goes missing on the farm he can often be found visiting Bal who in turn misses nothing. We have both been poorly with coughs and colds and seem to spend quiet evenings by the fire except the nightly walks up the road for caretaking duties accompanied by our beloved cat, Mitts. These days we seem to be walking in water, dry days are coming folks, spring is on the way.

### **ROAD WORKS**

By the time you read this, the repairs to the A684 on Blackhorse should have been completed after work was carried out between 1800 and 0600 between 17th & 21st February.

There is no date for any improvements at Lilymere at this time.

Major engineering work is to be carried out to repair damage caused by severe flooding on A683 at Cautley, near Sedbergh.

Work was expected start on 24 February and is expected to last for about 24 weeks. The scheme will

involve constructing a reinforced concrete retaining wall, and traffic controls will be in place during the works to protect the safety of the public and highway contractors. The council will make every effort to minimise disruption to road users. Signs giving road users advanced warning of the works will go up shortly. Local communities and businesses are being informed about the scheme.

### **SEDBERGH GALA 2014**

This year will be the 50<sup>th</sup> Gala to be held in Sedbergh. It seems fitting therefore that the theme will be Fifty Golden Years. This gives plenty of scope for interpretation, for instance golden celebrations, Olympic gold medals, "Goldfinger".

Gala Day will be held on **Saturday 17 May** and all of us on the
Committee are confident that our
fickle weather will also embrace the
golden theme!

#### Mike Sloan Trophy

On Sunday 9th February we went to the 1st Kendal Scout Hut and competed amongst 10 Cub Packs from around the County for the Mike Sloan Trophy.

We played some fantastic games both indoors and outside including Kerplunk, shooting ducks with bow and arrows, hat football, spot the difference game on a projector screen and farmers eggs.

Although we didn't win we all had a great day finished off with juice and a Kit Kat. Thomas Moorhouse.

#### worship@peopleshall

It was great to welcome back Tim & Janet Widdess to Sedbergh again, now living in Brookhouse. Tim came to speak at the February meeting and brought with him a friend who had an amazing story to tell. He shared with us how God had transformed his life and brought him from drug addiction to a completely new life. He spoke very movingly to a packed hall of how God had miraculously intervened, even when in a critical condition in hospital due to his use of hard drugs. All along his faith was strengthened by God's answers to his prayers and he began to accept that God loved him. It took more than one attempt before he was finally freed. It was a great morning and we look forwards to next month 2<sup>nd</sup> March and then 6<sup>th</sup> April. Sedbergh Methodist Church

# DENTDALE CHRISTIAN FELLOWSHIP

Our party in January was a great evening of laughter and fun. We began by singing worship songs, heard an update on various things and a prayer and then games. First a word for everyone to include in the conversation without it being spotted, I Spy, Beatle, and stick the tail on the Ass all had us in great hilarity. Then the bring and share supper was eaten with great enthusiasm accompanied by great banter.

We continue to meet once a month for lunch and once a month for testimony and you are very welcome to join us, please contact us for dates and times.

#### **72 MAIN STREET**

Last Month we reported on the progress made during the past 2 years to purchase the building for the Community, the formation of the Community Interest Company and the Sedbergh and District Charitable Incorporated Organisation (CIO).

At the time of writing the final negotiations are in hand for the purchase of the building from the White Knights and by the time this article is published the building will be in the care of the CIO and once again owned by the Community.

Arrangements for the transfer of the responsibilities of the Sedbergh and District Heritage Trust to the CIO are proceeding apace and we are confident that the target date of 31 March for completion will be met.

In the February article we highlighted our hope that 72 Main Street would become Sedbergh's focus for advice, assistance and resources for the whole community. In furtherance of this aspiration we are delighted that the Sedbergh Neighbourhood Policing Team will be moving to a new office on the First Floor at the beginning of April.

We hope that the Policing Team move will underline the importance of Number 72 to Sedbergh and will encourage those of you who have not visited recently to drop in and see the changes that have taken place.

Help control unwanted marketing calls and texts

In November 2012, the Information Commissioners' Office (ICO) fined the company Tetrus Telecoms £300,000 for sending huge numbers of unsolicited text messages (mainly about PPI mis-selling and compensation for accidents). This was overturned on appeal, the Judge decided that the company's actions did not cause, and were not likely to cause, substantial damage or distress to those affected.

The ICO disagrees and wants
Government to change the law so
that companies can be fined where
the texts and phone calls cause
nuisance, annoyance, inconvenience
or anxiety. *If you have been affected let us know.* We can pass
your story onto the ICO and together
we can try to get the law changed.

We call this action 'Social Policy'. Every CAB around the country uses local experience of your problems to build a national picture. We have people employed in London who then take this information and lobby Government to try and get changes for the better. So as you can see, each person's story can build to something powerful, helping prevent similar problems in future.
